Dear YLA Members,

The College Application Seminar was a success with record attendance. On the horizon we're looking for more events both old and new. With the start of summer we know everyone's looking for some reprieve from school and work. Therefore the YLA Team has been working tirelessly to set up some fun and exciting events! Be on the lookout for more information regarding these events.

We will send a Monthly Newsletter to inform you of what is happening and what is coming up. If you have any ideas, please reach out to us and we'd love to hear from you.

See you next month!

Upcoming - Dragon Boat Festival

YLA will be competing in the annual Milwaukee Dragon Boat Festival. The YLA Phoenixes have performed well and consistently made it onto the podium in the past, and we are excited to go for gold again! This event is extremely fun and requires no prior experience, just a couple group practices. Join us for one of YLA's favorite events and a great team bonding experience! Competitors must be at least 14-years-old (by August 11th) and willing to attend both practices. Details are forthcoming, contact Reena with any questions and registration.
