Dear YLA Members,

We're so excited to form the 2018-19 YLA team. There are a lot of returning members as well as new participants. It's encouraging to see the continued growth of the YLA team and the participation of middle schoolers. We hope YLA provides the platform for youth to learn and grow. There are a lot of events and activities planned for this coming year, please attend as many as you can.

We will send a Monthly Newsletter to inform you of what is happening and what is coming up. If you have any idea, please reach out to us and we'd love to hear from you.
